Sorry for the late response. I will have our technical team on the line to explain what the group has recently come up with. If your technical team can't make it we can go forward with the call and have another call with your team.

Thanks, Elizabeth. Does EPA expect technical feedback from the Tribe during the meeting tomorrow? If so, I can check on the availability of our technical folks to participate in the call.

Hi Mike. Let's talk tomorrow at 9:00. The EPA team wanted to update you about the Stibnite negotiations. Feel free to invite Amanda if you would like.
